DIFFERENCES BETWEEN NON-TIER ONE & TIER ONE SECTIONS

Section	Definition
Tier One	General Education Tier One Courses are established by the Provost's Office and the sections created for Tier One Courses take part in Tier One seat release during Orientation. Please see list here: http://catalog.arizona.edu/policy/general-education-tier-one-and-tier-two
Non-Tier One	All other classes/sections are non-tier one sections.

Remember: These classes typically have special course numbering associated with them. This is different than section numbering.
