It is the responsibility of the student's Academic Advisor and/or College Dean’s Office to verify that the following conditions are met prior to approving the student for an official Leave of Absence:

1. Residence Hall students should immediately contact the Housing & Residential Life Office at 520-621-6501.

2. The Undergraduate Student Leave of Absence assists and encourages students to return and graduate after a one or two semester absence from campus. Students with this status need not apply for or pay readmission fees and may register for classes during their priority registration period.

3. The University grants a Leave of Absence through the student’s Academic Advising Office or College Dean’s office.

4. International students follow the same procedures as all undergraduate students with the exception of contacting the Office of International Student Programs and Services at 915 N. Tyndall Avenue, 520-621-4627, for immigration briefing and approval, prior to submitting the Leave of Absence Form to the Office of Registration and Transcripts.

   Students participating in UA-sponsored Study Abroad programs need not apply for LOA; therefore, it is unavailable. For NON-UA-sponsored study abroad programs, LOA is appropriate and available if the student does not have an approved consortium agreement for the purpose of receiving financial aid while abroad. International students interested in participating in study abroad or National Student Exchange programs must first contact the Office of International Student Programs and Services.

5. The enrollment status of a student on an Undergraduate Student Leave of Absence will be reported to lenders and loan servicing entities as “not attending”. Advise students with a student loan to contact their lender for information about their rights and responsibilities regarding repayment. Students who will be receiving Financial Aid from the University of Arizona during their time away should not apply for this leave. Please contact the Financial Aid Office at the University of Arizona 520-621-1858 or https://financialaid.arizona.edu/contact.

6. The deadline for a completed application to be received is the last business day before the first day of class for Fall or Spring semester in the Administration Building, Room 210, by 4:00 p.m. Final decisions regarding approval or disapproval of Leave of Absence requests will not be available until the posting of grades for the semester immediately preceding the term for which the leave is requested. Students should note that the timing of the final decision depends on the timing of the application. Therefore, students may not receive a decision on the request for Leave of Absence before the first day of class if their application is received just before the opening of classes.

7. Incomplete applications will not be accepted and the student will be notified by email (official, UA email only). If the deadline is missed as a result of an incomplete application, the student will not be eligible for the leave.

It is the responsibility of the Office of Registration and Transcripts to verify that a student meets the following criteria:

- Be registered for the previous semester or have an approved withdrawal through the Office of the Registrar before the following semester’s Leave of Absence.
- Have a cumulative GPA of at least 2.000.
- Have his/her University account paid in full.
- Have no pending disciplinary action.

8. After processing the application, the Office of Registration and Transcripts will email the student confirmation that their Leave of Absence was approved or denied.

9. Should the student not return at the end of the approved leave then they must apply for readmission through the Office of Admissions.

If you have questions, please call 520-621-3113 or email reghelp@arizona.edu.
