

BACKGROUND

As announced by the Provost on March 25, 2020: During the Spring 2020 term only, and at the discretion of the individual student, any class that was regular graded may be graded on a pass/fail basis, and these classes will count towards program requirements and satisfy future prerequisite requirements if a passing grade is earned. A student wishing to move to the pass/fail grading option must complete the process outlined below by the deadline.

An FAQ and further guidance on the Pass/Fail option is available at: https://registrar.arizona.edu/covid-19-information-and-updates

We encourage students to consult with their academic advisor as they consider any of the options described below. Contact information for advisors is available at the Advising Resource Center.
